

WE WANT YOU...

...to be in to win!

You could win a trip to Fiji for two adults and two kids as part of the kids' section in this year's Family Fishing Competition, but not if you don't enter soon!

Entries close on March 1, 2009 which is only a few weeks away now and making sure you have a shot at the big prize is really easy. All you have to do is catch a fish, take a photo of you and your fish, then send it to Sprat Chat with your name age and phone number on the back before March 1, and you're in the draw to win. There are some rules so get mum or dad to check out the OBC website under 'Fishing competition' or pick up a copy from the OBC office. Good luck!

The prize

What will you get if you win the big prize at the Family Fishing Competition? Wow!
