Summer's definitely here with the water temperature up, so there's no reason why dad can't get you out on our beautiful harbour and start having some fun. There are fish in close, so remember to fish your feet first.

We thank everyone who has sent their entries in for our fishing competition – good luck to all who have entered and remember the Family Fishing competition is a family affair. It's not all about winning; it's about participation and for everyone to enjoy it!

Want to see your name in print? As always, we are very interested in receiving your stories or drawings for Sprat Chat. Send anything of interest to Mark Culley, C/- OBC

Office, PO Box 42056, Orakei, Auckland or fax to 522 0774 and we'll print them in the next Outboarder. Or you can email us at culley@xtra.co.nz Remember to include your name and age.
