Hi everyone, I hope you all had a wonderful Easter school holiday break and lots of fun. July, and the next holiday, seems ages away right now but it'll be here before you know it!

Winter is also just around the corner and many of you will be busy with winter sports instead of swimming and boating. But even though the water's a bit too cold now for swimming, Capt'n Swish says that there are fish out there waiting to be caught so dad needn't pack the boat away yet.

Now for a little bit of sad news... Mark Culley, who has been bringing you your Sprat Chat pages since it started in April 2007, has been getting very busy and needs to take a bit of break. So a very big THANK YOU to Mark for all his hard work.

The good news is, Sprat Chat will continue and we'd love to have your stories, photos, and anything else you think would be neat to see in Sprat Chat. You can post or drop it in to the OBC office (see page 2 for all contact details) or send it directly to debbie@petrolhead.co.nz

Don't forget Mothers' Day is on Sunday, May 9 - are you doing something special for your mum?
