

sPrat chat

Very wet weekends, with very cold but clear weekdays, are making it a bit hard for us softies to venture outside lately! But, tell dad that the fish are still out there and still quite close to the OBC, with some catches off Islington Bay and on the eastern side of Motutapu - in close according to our own Capt'n Swish, who gave up more of his very closely guarded fishing spots at the July fishing meeting. With not long to wait until the warmer months arrive no doubt everyone is looking forward to a very good fishing season.

At the last fishing meeting I asked if your mums and dads could help with the competition entries as we have had, over the last three months, only ONE entry. So get out there and catch a fish and remember to send in your photo - you have to be in to win and the prize is awesome!

Please send all your photos and stories for Sprat Chat to Mark Culley, C/- OBC Office, PO Box 42056, Orakei, Auckland or fax to 522 0774. Or you can email us: culley@xtra.co.nz. Remember to include your name and age.

In to win! FIJI

As part of the kids' section in next year's Family Fishing competition, win a trip to Fiji for two adults and two kids (under 12-years). All you have to do is catch a fish between now and the fishing competition in March 2009, take a photo of you and your fish, then send it to 'Fiji Fishing Extravaganza', C/- the OBC, before March 1, 2009 (remember to put your name, age and phone number on the back), and you're in the draw to win. There are some rules so get mum or dad to check out the OBC website under 'Fishing competition', or pick up a copy from the OBC office.

For further information on Fiji and any other holiday destinations please call our sponsor: North Harbour Corporate Travel, phone 448 2053. They have helped put this fantastic prize together. Please remember to support our partnering sponsors where possible.
