## WHAT'S COOKING?

### Fish in coconut beer batter

We used snapper in this recipe but any fish will do!

1 c plain flour	Dipping sauce
1-1/4 c dad's beer	(optional)
2 tbsp coconut	1/3 c sour cream
1 kg fish fillets	1/3 c mayonnaise
extra plain flour	2 tbsp tomato
oil for deep frying	sauce

1. Sift flour into medium-sized bowl, gradually stir in beer until smooth, stir in coconut.
2. Toss fish in extra flour, shake away excess then dip fish into batter.
3. Deep fry about four pieces at a time in the hot oil until crisp and golden – ask for mum or dad's help with this.
4. Drain on absorbent paper.
5. Serve with sauce and chips.

Dipping sauce: combine all ingredients in a small bowl.

## In to win! FIJI

As part of the kids section in next year's Family Fishing competition, you could win a trip to Fiji for two adults and two kids (under 12-years). All you have to do is catch a fish between now and the beginning of March 2009 (the fishing competition is in March), take a photo of you and your fish, then send it to Sprat Chat with your name, age and phone number on the back – and you're in

the draw to win.

There are some rules so get mum or dad to check out the OBC website under 'fishing competition' or pick up a copy from the OBC office.

For further information on Fiji and any other holiday destinations please call our sponsor – North Harbour Corporate Travel, phone 448 2053 - that has helped put this fantastic prize together. Please remember to support our partnering sponsors where possible.
