

## OBC JULY 2018 SCHOOL HOLIDAY COASTGUARD EDUCATION PROGRAMME

OBC, 7 TAMAKI DRIVE, ORAKEI, AUCKLAND

The OBC is pleased to offer an opportunity specifically tailored for students to gain the highly regarded Coastguard Day Skipper and Maritime VHF Radio Operator Qualifications during the school holidays.

### **Maritime VHF Radio Operator**

This is the minimum qualification required to operate a marine VHF Radio in anything other than an emergency. It will cover routine operation, how it can assist with safety as well as distress and urgency calling. Unlike the adult course, the extended time frame gives us more time on scenarios and exercises to help retain the information. With this qualification there is nothing

stopping your child from getting involved as the onboard designated Trip Report person. They will develop confidence on the radio which is a useful skill they will carry into their future. Those who successfully complete the assessment can apply for Unit Standard 19491 (level 3, 3 credits) to be added to their record of learning. (A small administration charge may apply)

### **Day Skipper**

This is an introductory course for all boaties. Applies to a wide range of vessels including yachts, launches, powerboats, PWCs, sea kayaks and waka. Those who successfully complete the assessment can apply for Unit Standard 26542 (level 2, 6 credits) to be added to their

record of learning. (A small administration charge may apply). During the Day Skipper portion of the programme we will spend time ashore learning about the rules, tides, knots, as well as Coastguard, Search and Rescue and other boating related topics.

### **Day Skipper optional 'On the Water Experience' (2.5 hours)**

This classroom rocks because you'll be aboard a Coastguard Training Vessel for a 2.5 hour practical learning experience. Students will have the opportunity

to put in to practice the essential boating knowledge from the Day Skipper Course while participating in crewing the vessel.

## Details

<b>Age</b>	12+ years
<b>Location</b>	OBC, 7 Tamaki Drive, Orakei, Auckland
<b>Tutors</b>	Friendly and highly experienced Coastguard Boating Education accredited tutors
